

# Friends of Badock's Wood Owl Prowl Thurs 8<sup>th</sup> October

**All Welcome – Meet 7.00 pm at  
Badock's Wood Northern Gateway,  
Doncaster Road, Southmead**

Join South Glos Hawk and Owl Trust at dusk for a walk to find out more about the owls using the Wood. The Trust will give a short talk and then lead a walk around the Woods to hopefully hear some teenage hooting owls!

You may also be able to meet a Barn Owl afterwards.

**Please dress appropriately for the weather and uneven/muddy surfaces and bring a torch to help you find your way round.**
