Chainsaw artist Andy O'Neill is making a new bench to allow visitors to Badock's Wood to sit and rest awhile on their way in or out of the nature reserve. This bench is being decorated with carvings showing some of the Green Hidden Treasures of Badock's Wood.

This bench has been commissioned by the Friends of Badock's Wood using grants from Henleaze, Stoke Bishop and Westbury on Trym Neighbourhood Partnership's Well-Being Fund and the Bristol EU Green Capital 2015 Small Grants Fund.
